Donor Advised Funds at ECCF

Essex County Community Foundation (ECCF) is the preferred Donor Advised Fund (DAF) provider for you to leverage charitable giving to spark long-term change in your community.

How it works:

You gift cash, stocks or noncash assets and receive a tax deduction immediately upon contribution. The assets are invested and may grow tax free over time giving you more money to make a difference. You recommend a grant to any nonprofit organization when the time is right.

Why you love it:

Do you give to multiple charities every year and scramble to find the tax receipts in time for tax time? Do you want to be connected to nonprofits doing great work in their community? A partnership with ECCF makes your giving easy, flexible and impactful.
